

2600 Series Lawn Tractor

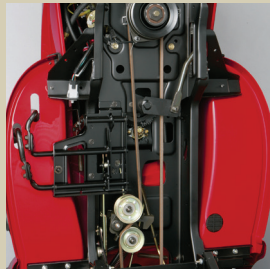

When it comes to having a great looking lawn, leave everything to the Massey Ferguson® 2600 Series lawn tractor. The cutting quality of the mower deck leaves your lawn looking beautiful and the Automatic Controlled Traction™, infinite height-of-cut and electric PTO provide a best-in-class mowing experience.

Change ground speed and direction quickly with easy and intuitive foot controls. It's just like driving a car. Find the speed you want and stay there with the convenient cruise control.

The height-of-cut adjustment allows you to set the mower deck to the exact cutting height you need. The dash-mounted switch allows adjustments on-the-go to meet changing conditions.

The heavy-duty 12-gauge welded steel frame is rugged and will deliver years of dependable performance.
