

2900 Series Zero Turn Mower

The compact, easy-to-use 2900 Series is designed specifically to provide fast efficient mowing. Although small in size, this zero turn is big on features.

Heavy-duty fabricated 10-gauge mower deck with double top deck, overlap welded corners and double reinforced side skirts, with steel reinforced leading edge.

The easy-to-use deck-lift takes the effort out of adjusting height-of-cut. Cutting height ranges from 1.5" - 4.5" in .25" increments.

Ergonomic control panels with adjustable solid steel padded control arms.

Features

25 gross hp* Briggs & Stratton Commercial Turf Series™ V-Twin Engine

48" fabricated steel mower deck with limited lifetime warranty**
