Additional Information About The Financing Promotions

¹A \$125 promo fee will be charged and included in the promo purchase balance. No monthly interest will be charged on promotional purchase and equal monthly payments are required equal to initial promotional purchase amount divided equally by the number of months in promotion period until promotion is paid in full. Regular account terms apply to non-promotional purchases. Offer applies only to purchases made with your Synchrony Bank Credit Card. The equal monthly payment will be rounded to the next highest whole dollar and may be higher than the minimum payment that would be required if the purchase was a non-promotional purchase. For new accounts: Purchase APR is 23.99%; Minimum Interest Charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. Subject to credit approval.

²The equal minimum monthly payments shown in the table should allow you to pay the Total Amount Financed shown in full within the Estimated Payoff Period assuming: (1) this amount is and will be the only balance on the account during the promotional period, AND (2) you make your monthly payment by the due date each month, AND (3) the amount financed is subject to the applicable financing promotional offer. If you have any additional balances on your account, the monthly payments applicable to those balances will be added to this payment and may impact how payments are applied to this promotional purchase.

³Total amount financed equals purchase amount plus promotion fee.
